## High Speed Network Ready Colour LED Multi-function Centre® with Fax

Complete with wired network capability and many more business-friendly features, the MFC-9120CN offers you professional colour print, fax, copy and scan performance in one space-saving unit.

- Fast and efficient: print and copy up to 16 pages per minute in mono and colour.
- Share the MFC-9120CN within your wired network and make use of its advanced scanning options for optimal document management.
- Large 250-sheet tray for lasting paper supply and 35-sheet Automatic Document Feeder (ADF) to swiftly handle multipage documents.
- High-resolution printing for consistent, professional-quality results.
- Save money and the environment with ENERGY STAR

There's more to the MFC-9120CN than professional colour print, fax, copy and scan performance. Discover the Top Ten easy to use solutions to save time and money in the office.

Built-in network capability.

## Cost reductions

- 1. Share resources.** Share the MFC-9120CN among several users over your existing wired network for more efficiency and an improved workflow.
- 2. Cut your fax transmission costs.** With Internet Fax\* you send fax messages over the internet, thus saving the costs of using a telephone line. Faxes can still be sent and received the traditional way, too.
- 3. Reduce paper and toner use.** Reduce 2, 4, 9, 16 or 25 pages onto just one A4 sheet with N-up printing.
- 4. Manage print costs.** With the Colour Restriction Tool, an administrator can centrally manage users' access to colour printing and bring down costs.

## Save time

- 5. Handle multipage documents at the touch of a button.** With the MFC-9120CN's 35-sheet ADF, you can swiftly fax, copy and scan multipage documents.
- 6. Speedy document management.** With the easy to use Scan to FTP option, your scanned file is saved directly onto an FTP server destination of your choice – perfect for hassle-free document sharing. Other time-saving scanning options include Scan to Email, Scan to Image, Scan to OCR, Scan to File and Scan to Network.

## Professional quality

- 7. Professional finish.** It's incredibly easy to add a watermark, whether it's a predefined design or a logo of your choice, to your printouts for a professional look.
- 8. Get the bigger picture - in-house.** For a bigger impact, you can enlarge 1 page to be printed across 4, 9, 16 or 25 A4 sheets with the Poster Printing function in the printer driver.

## Reliable and convenient

- 9. Swift and easy.** Printing on thick paper or envelopes is exceptionally simple with the MFC-9120CN's Straight Paper Path. All you have to do is open a small door at the rear for your special media to exit after printing.
- 10. Be safe.** Print your most confidential documents, safe in the knowledge that they will remain just that, with Brother's Secure Print feature. It's easy to use: when you're ready to print your document, you enter a private PIN code on your computer and click the Print button. The document will only print after you've physically entered your PIN code at the printer.
